LIAM LE GASSICK

Deckhand

OBJECTIVE

I am seeking my first deckhand role. Although I am new to the industry, I have a vast set of desirable skills I can bring to the team. I am adaptable in various environments, whether it be washdowns or accommodating high-profile clients.

I pride myself on being a quick learner, reliable person, and a strong team player who is always up for a challenge and is not afraid to get their hands dirty.

My previous sport and leadership roles have equipped me with the confidence and skills necessary to effectively interact with crew, guests and owners.

I aim to build a long-term career in the maritime industry by contributing my adaptability and strong work ethic while growing my skills, experience, and vessel operations.
